

**Most Glorious Queen of Heaven and Mother of God, you whom the Blessed Trinity has crowned with unequal Glory: you are our Sovereign Queen over all God's**

**Creation. I place myself and all my loved ones under the power, protection and sovereignty of your crown. Under the protection of your crown I will fear no other crown, and through your immense intercessory power I ask you to spare us all from the Corona virus. Dearest Mother and Queen we your children in Christ Jesus ask you to obtain for us an end to the spread of this virus.**

**(The Memorare is now said)**

**Remember O most Gracious Virgin Mary, that never was it known, that anyone who fled to thy protection, implored thy help or sought thine intercession was left unaided. Inspired by this confidence I fly unto thee, O Virgin of Virgins, my Mother. To thee do I come, before thee I stand, sinful and sorrowful. O Mother of the Word Incarnate despise not my petitions, but in thy clemency hear and answer my prayer. Amen.**
